Metal Targets and Plates at Range.

No metal targets/plates shot closer than the 50 yds.

Exceptions: 22cal spinners, matches, Bianchi Plates.

Bianchi Plates are now at 25 yds. No shotguns, rifles or magnums on bianchi plates.

The metal animal targets are for cast bullets only.

Wood benches are for gear only. Do not use for bench rest. All muzzles must be in line with the concrete benches for safety.

To purchase through the CMP, you must be a current member of a Gun Club affiliated with CMP.

Ben Bush at **Bush Jewelers in Hendersonville** will laminate your new GGC membership card free.

Thanks for keeping the range clean.
Please pick up targets and brass after shooting!!

The new soft pads for the Bianchi Plates. They do keep down lead splatter, but we can't keep them from coming off the plates. Anyone who has experience and a solution, please contact Russell Lee. Keep plates back at a safe distance until we solve the problem.
