**Meeting Notice:** 7:00 pm Second Monday Feb, Apr, Jun, Aug, Oct, Dec. Gallatin Electric Co, 135 Jones St.

**ADDRESS CHANGE** phone# and email: TVA requires current member contact information or gate key is deactivated. We are no longer eligible for discounted postal rates; please send email address to [ronjackson@comcast.net](mailto:ronjackson@comcast.net) to receive newsletter and announcements by email.

**TVA is closing the range Monday through Friday starting Monday June 20 through December 31, 2011. During this time the range is off limits. The range will be open on weekends only.**

TVA is doing geotechnical investigations in the railroad loop for the feasibility of placing a future storage of solid Coal Combustion Product in lieu of the ponds.

TVA will have signs at the gate, Livewell center, our range, and the TVA police range.

We will be able to mow, continue dumpster service and portable toilet service as usual.

We will also be able to do maintenance work during the week as long as prior notice is given to TVA through the Club Secretary.

To have more open time for all members on the weekends, we have cancelled some of our scheduled matches. Some of the remaining matches will start earlier and finish by noon. Check the calendar of events on our web site for scheduled matches and times. We will also have a calendar of events posted at the Club under the rifle shed for those who don't use a computer.

Please help get the word out to members since some do not read the newsletter or open their email frequently. Check your email for any updates.

If you have any questions, please call before going to the range. Ron Jackson 517-5413

The rifle/pistol range is for GGC members, their immediate family (same household), and guests only. Each guest is limited to two visits per year.

The first person on the range shall assume the duty of Range Officer (RO) until the RO, a Board Member, or the Chairman presiding over the match is present. Membership cards shall be worn at all times while on TVA property.

This is a COLD RANGE. All firearms shall be unloaded until they are on the line and all shooters acknowledge the range is "HOT". All firearms carried to and from the shooting area shall be either cased, holstered, or with the action open. All firearms shall be pointed downrange or in the gun racks while in the shooting area. The action of firearms must be open when not in use.

EYE AND EAR PROTECTION ARE REQUIRED FOR ALL SHOOTERS AND NON-SHOOTERS while using the rifle and pistol range.

The range is divided into Bench rest (left half: concrete benches) and Off-hand/prone (right half: gravel area). ALL wood benches in the bench rest and off-hand/prone areas are for GEAR ONLY. DO NOT SHOOT OFF THE WOOD BENCHES. All muzzles must be in line with the front posts of the rifle/pistol shed when shooting.

Members shall "CLEAR" the firing line with ALL shooters before going downrange. ALL FIRING STOPS, ACTIONS MUST BE OPEN and FIREARMS SHALL NOT BE HANDLED. After ALL shooters return from downrange, they shall acknowledge with ALL shooters the range is "HOT" before firing can continue.

The range has 25, 50 100, 200, and 300(-) yd berms. No targets are permitted past 300 yds.

Members are responsible for bringing their own target stands and targets for practice. Metal Gongs shall not be shot with AP armor piercing rounds. Metal targets shall not be shot any closer than 50 yds. (Exceptions: 22 rimfire spinners and sanctioned match targets) Police your targets, bowling pins, brass, boxes, etc. before leaving the range. Do not shoot bottles, rocks, blocks, etc. Keep the range clean for mowing and the use of others. Please empty trash cans in the dumpster.

The Bianchi Plates are for all members. They are for NON-MAGNUM PISTOLS ROUNDS AND .22 CAL RIMFIRE RIFLE ONLY. Other rifle calibers (including .22 magnum), shotguns, or magnum pistols are not permitted. Plates shall not be shot any closer than 25 yds and must be shot directly in front of the plates, not at an angle. EYE PROTECTION IS IMPORTANT because we do have ricochets and lead splatter coming back to the shed area.

No fully automatic weapons or "bump-firing" allowed. No tracers or any other incendiaries allowed because of the risk of fire.

Be aware of deer, turkey, and other animals on the range and ceasefire when they are present. The range property is managed by TWRA.
